Web developer with a passion for beautiful design and efficient implementation. My work for the African Literature Association has helped the organization streamline conference registration and increase revenue. Focused on front-end development and experienced with a wide range of languages and technologies.

Experience

Nov 2019 – Present — **Web Developer/Webmaster (African Literature Association-ALA)**
- Secured a contractor position with the national ALA to develop new features and update graphic design to enhance and streamline the user experience
- Overhaul backend infrastructure including a custom relational database to store data on a large network of members, finances and national conferences

July 2019 – Present — **Administrative Assistant (UW-Madison)**
- Perform administrative duties for UW-Madison African Cultural Studies department including managing scheduling, gathering research materials, maintaining African Cultural Studies and Classical and Near Eastern Department websites, email communications, event coordination and budgeting
- Maintain and design graphics and layouts for presentations, syllabi, course documents, etc.

Jan 2019 – May 2019 — **Email Newsletter Developer/Designer (WUD Music)**
- Responsible for end-to-end email newsletter design, development and distribution. Consulted with the marketing coordinator and team members to refine design details and functionality
- Compiled metrics that showed increased interest of event pages by 86% and attendance by 48%

May 2018 – Sept 2018 — **Legal Assistant (Lenington Law)**
- Prepared discovery requests, billing statements and handled general accounting
- Managed scheduling, hearings and calendars through the American Arbitration Association

Jan 2012 – Dec 2016 — **UniCade (Unified Gaming Platform) - Web Design and Marketing**
- Collaborated on marketing, user interface and logo design for custom built arcade units that seemlesly integrate game consoles across generations into a unified interface (See danlenington.com for documentation)
- Designed a custom website from the ground up to showcase the project and key features

Sept 2016 – Jan 2017 — **Enactus Entrepreneurship - Social Media Coordinator (UW-Madison)**
- Coordinated social media efforts to expand community outreach for the Street Pulse project within the Enactus organization
- Street Pulse focuses on outreach to local low income or homeless populations
